**CONSIDERATION OF PRIOR FILED INFORMATION DISCLOSURE  
STATEMENT**

Dear Sir:

In the Office Action dated February 18, 2000, the Examiner indicated that the Information Disclosure Statement received by the office on November 24, 1999, had been considered (which was mailed by the Applicants on November 16, 1999). Although the action indicates that a copy of the IDS was returned with the action, it appears that a prior IDS (which had already been considered) was returned instead. As it appears that the Examiner has already considered the references cited therein, and the same is probably already in the file, the Applicants respectfully request that the Examiner return a copy of the IDS mailed by the Applicants on November 16, 1999, showing the Examiner's initials by the references to confirm that they were each considered.

Submitted herewith is a copy of the PTO Form 1449, as filed on November 16, 1999, and a copy of a postcard returned by the office to indicate its receipt. Copies of the references were submitted on November 16, 1999. If the Examiner requires a second set of the references, please contact the undersigned attorney.

Although the undersigned believes these references have already been considered by the Examiner, to the extent that they have not, the Applicants respectfully request consideration. Since the prior statement was filed before the mailing date of a notice of allowance or final office action, and the Applicants authorized payment of the fee required under 37 CFR 1.17(p), no further certification or fee is believed to be required. However, in an abundance of caution, any fees required in connection with this communication may and should be charged to Deposit Account No. 12-1213.

Respectfully submitted,  
DONALD NORMAN SPITZ ET AL.
